

Camper Packing List

When campers arrive at camp all of their belongings are recorded on a packing list. If you have time to complete this before they arrive at camp it would be a big help. If you are not able to do this one of your child's counselors will complete the form on the first day. Multiple items such as underwear, socks etc, can be grouped together on as one item. e.g. 10 pairs of white socks, 3 medium green t-shirts
 Just remember; when it comes time to pack the kids at the end of their stay at camp there is no such thing as too much information!

Date: _____ Camper Name: _____

Bunk: _____ Packed By: _____

Session: _____ List Checked By (Camp Use Only): _____
